# S&S DUGOUT

The Dugout was founded in 1950 by Ed and Mary Saloomey. It was originally located alongside a baseball field inspiring the name the Dugout. In the late 50's the Dugout moved to its current location replacing a hot dog stand. Ed wanted to add something more exciting to the menu and began experimenting with his family sausage recipe. That's how the hand mixed hot sausage joined the USDA choice hot roast beef and meatloaf to become one of the Dugout staples.
